

REMARKS

Claims 1-39 are pending.

Claims 31 and 38 are currently amended to display the correct structure for the named compound.

No new matter has been added.

Rejections Under 35 USC § 112, 2nd Paragraph

The Examiner has rejected claim 31 as dependent on a rejected base claim. Applicants note that after the amendments to claim 1 are entered, claim 31 will no longer depend on a rejected base claim. Thus, no rejection remains for claim 31. Applicants also note that the structure of the compound listed in claim 31 has been added to this claim.

In view of the above remarks, all of the claims are submitted as defining non-obvious, patentable subject matter. Reconsideration of the rejections and allowance of the claims are respectfully requested. Applicant believes the pending application is in condition for allowance.
